Dear Mayor Garcetti, Councilman O'Farrell, Commissioner Johnson, Chief Beck, Capt Palka, Capt Carranza and Officers of Hollywood, Capt Lopez and Officers of Air Support and LAPD Dispatchers: Sometimes the news doesn't say just how special the LAPD is. Rarely do common every-day-citizens see exactly how dedicated our LAPD is. Maybe our Elected Officials do not always get told the level of heroism these men and woman perform at all hours of the day. But tonight (27 June 2016 at roughly 9pm) while I was on duty in my security booth I overheard an LAPD scanner call that a young girl was kidnapped on Hollywood Blvd and Gower. The suspect's car had already fled. This news was horrible and I immediately began looking out for the suspect's vehicle in a faint hope that I might see the car. I never saw the car but a real life miracle happened within minutes when I heard an LAPD Officer say on the radio that he had located the car going southbound on the 101 freeway. What are the odds? Shortly after that I could hear an LAPD Airship calling in the direction the car was travelling. This was fast! And then, after that I could hear the Dispatcher relaying information to other responding cars and to the Incident Commander -- ultimately this team of HEROES pulled the car over near Griffith Park; this was after travelling on 3 different freeways no less.   Finally I heard the best words you could hear on such an incident when the LAPD say, "Suspect in custody."   This is a HUGE City with many, many cars and people and things yet these Officers all worked together to potentially save the life of someone they don't even know.   And they did with such competence it was completely fictional sounding.   The news sometimes talks about how "bad" the LAPD are but they are 100% wrong.   In fact, in this one incident alone the Dept proved that they are HUGE HEROES worth a massive standing ovation for what they did not just tonight but day-in and day-out. This being said: Please pass my message along to all these Officers somehow.
 They are the best and I and many others thank them for all their work.
Thank you very much, <span style="font-size:

All Parliment and English Internal Affairs People Have to Explain to Barack Obama and Prince Charles That Its a Federal Crime to make People Hear a Broadcast In There Heads and they cant cover up what Loretta Lynch, Obama and Donna Leconte are doing to Ryan Oneil and that I'm a Charles Stallone Kidnapped from the England 45 Years Ago with 4 Twin Brothers the Royal Family is covering up existed and Written into Saving Private Ryan (That Ryan Oneil wasn't supposed to Figure out was about me and my 4 Dead Twin Brothers being hunted to cover up Illigitimates in 1969-70 that my mother when giving Birth was (Star Wars Phantom Menace Dealt with and Ryan wants Justice and Loretta Lynch is a Donna Leconte (Belmedia Pacheco) covering up with Comey and Bornetz in the Treasury Dept what they are doing to Ryan and others in secret in the United States.

All Internal Affairs Divisions Below Loretta Lynch, James Comey, The Borenatz Thats Running the Treasury Department, and OBamas have to explain to Barack Obama & His Staff that Its a Federal Crime to make Ryan ONeil and (Other People On Social Security Listen to a Broadcast Inside Your Head.) Linda Lavins, Russos, Sarandons, Vons related to Donna Lecontes Lavin Family have a group of (Retards that Have been Secretly Abusing Ryan ONeil and other people with Donna Leconte and a Obama in a Wheelchair that Likes to make people listen to his relative thats handicapped and (THIS IS AGAINST THE LAW) Since June of 2012 Ryan ONeil has been being abused by Donna Leconte (Whos Related to Loretta Lynch By her Birth Mother Belmedia Pacheco) and also been abused by Belmedia Pachecos Family nuclues and Donnas Pacheco family who kidnapped me 45 Years ago and are now trying to put Ryan in a Mental Hospital (After Years of Abusing Me) with Rita Senra Shores relatives. Rita is Ryans Half younger sister (Shes a Ringwald Partially and a Portman thats shown Belly Down on a Beach Towel in the Locker photo of Fast Times At Ridgemont High. Rita has partial Sarandon, Von, Russo, Lucas, Spielberg & Donna Leconte relatives that are (Frizzy Lizzy Mosses), Portmans, Stallones, Hogans, Fords & other politial families. They are abusing Ryan with the Media system for the Benefit of Mary Liz Mastrantonios, Rose Brynns, Mellissa Ethridges family who have (Handicapped People in there family in wheelchairs)Ryans part Stallone (and Sylvestot Stallone the actor who had twin Brothers has some relatives who are not related to Ryan that are doing something to him and other people thats not legal and is a Federal Crime and Torture. Donna is making Ryan (Hear a Broadcast In My Head that her Greek Lavin, Cruise, Lucas, Stallones, a Couple Ted Bundy Randy Price Hogans & Afericans that mixed with her family and the Portmans and some Boy Georges that forces a person to hear the Broadcast Inside your head. It is not legal to Make RYan hear (Jenna Mafia Rockerfellers Broadcast which has a Angie Dickinson Dressed to kill version of Olympia Snowe, Judith Geinsberg who mixed with Donnas, Mellissa Glen, Cristine Charette, Pam Dawbers mindys and Donnas Pacheco Greek relatives. THe Pachecos in the 60s and 70s had many relatives, Ryan was related to Donnas brother Paul who knew I was switched and Donnas family took me as a baby and raised me as Donnas son. 45 Years after my Birth and Divorcing my ex wife Celia Antonio Donna started putting Ryan in Mental Hospitals as Celia and Maria Antonio were Teresa Heinz, Natalie Wood Members of Donnas Family nuclues indirectly. Dirty Harry the 1971 Clint Eastwood movie has a Photo of a mexican Celia Antonio with a Cherly Perry Heinz backing her up in a manor with a Fake Smile on her face, the direction of a Stacey Varges, Geller and members of Rita Senra Shores family nuclues back then. This photo was on a Desk and in a seen and (Creepy.) Ryans

point, Teresa Heinz, Donna, Maria Antonio arranged for Ryan to meet and marry Celia to keep me part of a Cruise and Scientology family that wanted to raise me and abuse me as a Rosemarys Baby (A 1968 Roman Polansky Movie) about abusing a person with a group of people that want you to be there prisoner, but part of the nuclues. Ryans being abused by a Donna whos a Retarded Linda Lavin Loretta Lynch Greek thats in Ross Perot and there family and they are making Ryan hear a group of people in wheelchairs and trying to put people in mental hospitals as a Activity for them Broadcasting in peoples heads.

Now for 6 years since Donna put Ryan into a Stuart Marchman Mental Hospital in Daytona Beach, FL and Ryan fought for 4 Days Legally and got myself out, saying (Donna has No Right to Order a Baker act and put me in a hospital (not Does anyone) and she did this to (Abuse) Ryan for the benefit of her, Celia and Maria Antonios family whos supposed Birth mother (Maria Antonio) was related to the actress that played the Mother of Jason Voorhees in the Friday the 13th Movies in the 80s. http://www.imdb.com/name/nm0658133/?ref_=tt_cl_t1 played by actress Betsy Palmer. Now Donna Lecontes mother, Belmedia Pacheco whos also related to Loretta Lynch, Haley Berry, Tamara Taylor on (The Today Show), Lina Horn who has a relative thats very Arabic in Jaws who was (Angry about something in a beach case tied to a Billy Bulger of the Whitey Bulger Winter Hill Boston mafia story https://www.youtube.com/watch?v=_2Ecwm7Alrc and there is a Whitey Bulger in the seen link mentioned above and a Lina Horn whos a Tank Teeth Honey thats related to Donnas Birth Mother Belmedia as is Betsy Palmer a (Maria Antonio.) Now Loretta Lynch, James Comey, Timothy Geither, and almost all the Federal Directors in Washington (Have a Rita Senra Shore, Sarnadon or Russo relative that looks like a Tank Teeth Retard Ringwald known as Honey who looks like the woman thats on the Billboard in 1975 Jaws seen https://www.youtube.com/watch?v=fGoekw7e-3U and this Billboard in Martha's Vineyard when they released Jaws (Replaced a woman that was originally on the Board thats related to Ryan ONeil.) Now Ryans half sister Rita lived on Luke Street in New Bedford, Ma near Tom Pacheco Photo Studios the name of Donnas brother Tom who was part Barry Gibb. Now Ryans sister whos Belly Down on a beach towel in Fast Times at Ridgemont High had Senra Relatives like Jason Gordan and Jason Segel who were in her family nuclues of the people 1 of her parents were living with.

George Lucas was renting an apartment from Tony Pacheco (Donnas Father) who has relatives that are Greek and one is a Greek Leo Meehen who is tied to the persons voice thats on the Special Council Voice mail. Ryans point of this letter, Donnas brother Paul Pacheco was related to the Man in Rosemarys Baby who empregnates Mia Farrow whos related to Ryan ONeil more than Donna is. John Cassavettes who does a Flip Head over Heels in Rosemarys Baby that caused someone in 1973-74 when Ryan was living on Dartmouth Street in New Bedford, Ma with Donna at 4 Years old to make (Chanel 7 Randy Prices Beard, Glasses and Blanket video) and Randy Price whos a Hogan Paine released the movie with Jonathan Hall on Chanel 7 in Boston when Ryan was working at WB Mason with Leo Meehen and Kerry Marchand who has relatives tied to Jaws and the movie as does Ryan and Donnas family nuclues. Ryans point the Beard and Glases movie looks like a Child is being molested by a person whos hand is being covered by a Blanket thats Black and old world and the (Person) thats skinny in the movie conceling there face flips naked with Underwear on head over heels with a Little Girl in a Wig, next to the person and Randy Price released the story of a Attempted Look a Like of Ryan Oneils Face (Not my Body Shape and Size,) and a Det Williams in Brockton was the narrated commentor that made a comment, Im Trying to Get This Guy.

Now what Ryan is explaing is Donnas Father (Tony Pacheco) died years ago and he was a good person (Donna is not and neither is some of her relatives who have been abusing Ryan in the Intelligence world that are mixed with the people mentioned in this letter and above. Rene Russo, Sarandons, Vons, Pintos, a relative of Cassavettes whos also related to the man that played the Father in Pretty in Pink of a Ringwald https://www.youtube.com/watch?v=nxHTPahkN6M and someone wanted to (Switch) Fathers between 16 Candles the movie and Pretty In Pink https://www.youtube.com/watch?v=eq5NSAyQEtI meaning in 16 Candles which came out a year or so Different from Pretty In Pink is two different Scripts, and movies, but both Ringwald Movies involve Water Cases tied to Jaws and Ma and Other states. The Father in 16 Candles was a Gordan Kaye relative of Tom Stemberg whos relatives dated Donnas family and was part of there family in the 60s (See Attached Photos In Black and White) when Applicable and able to send. There is a photo of a Merly Streep Donna Leconte whos sitting on the lap of a Clinton McCartney Sullivan in Tony Pachecos Christmas Tree Room (Tied to Dr Chevago a 1965 Movie) and theres a missing Twin on the Right side lap because Twin Brothers were seperated in a Godfather Fredo on the Boat Manor (Written into a Seen of The Godfather with Al Pachino.) Across the street is a House shown through his window in the background that has a Boat surrouned

by Snow to the left side (Where Merly Streep Donna is sititng on the left Lap (Camera View) of a Stemberg relative of the Father in 16 Candles (Though there not directly Related.) Now Ryans point, Donnas family is covering up what happened to Ryans Father and Real Birth Mother, The Tate and Labianca Murders, Deaths of Elvis Presley and Princess Dianna (All Related to Ryan)

Now Ryan when I was 4 Years old was waiting for a bus at 4 Years old https://www.youtube.com/watch?v=NWcBwgxUyuM and its mentioned by a Donna in 16 Candles playing the mother of Molly Ringwald in a seen and says Your Gonna Miss, the Bus Honey. Now Honey refers to a different kind of Ringwald thats (Sick and Nuts and a Rene Russo, Sarandon, Shore, or Von with Frizzy Hair and Retarded Eyes and Teeth whos more related to Ryans half Sister Rita. A Honey (That shes refering to looks like the Retard thats on the Billboard in a seen of Jaws who (Replaces the woman under the Defaced Drawing whos a Ryan ONeil related to Likeness. https://www.youtube.com/watch?v=fGoekw7e-3U

Now Ryan is explaining that the Jaws movies 1975 and sequals created by Spielberg whos relative Samuel J Levinson has been running the Inspector Generals Office of the Health and Human Services Department and has like Loretta, the Comeys and Treasury for 6 Years received 100 Certified Letters from Ryan that were sent to many different Departments with a Flash Drive that shows Michelle & Barack Obama relatives related to them, some related to Lance Hendrickson, Rita Senra Shore and people tied to the movies im highlighting links and seens to (Because they came out of Ma 45 Years ago and rose up to the Director Postions of these departments in Washington right now who dont (Do there Jobs and Cover up for Honey and Ella Means and Donnas people that there abusing Ryan and have abused other people on Social Security who are being forced to listen to Donnas broadcast that a Obama thinks is legal to make people hear (When Its Not No matter what the Government Thinks a persons done.) Now Ryans explaining that Gordan Kaye in 16 Candles relative playing Ringwalds father was related to the actor that played the part. Honey he mentions as does Cherly Perry Heinzes relative who plays Ringwalds Mother was refering to Ryan at 4 Years old in the dark waiting for a Bus outside a Dartmouth Street Apt with my Lunch box in my hands like the Poster for 16 Candles that has Jake Ryan to the left with Hands in Pockets and Ryan ONeil was being refered to behind the seens by someone in the Ringwald family and persons related to Donna Leconte who doesnt understand (Honey isnt supposed to abuse Ryan because I dont want the Ringwald whos a frizzy Hogan related to Ryans sister Rita who looks like the Retard on the Billboard in Jaws seen. When you dont want Honey (She sends people to ruin and Deface what you do want and thats why the Billboard was Replaced and Defaced. https://www.youtube.com/watch?v=cG3cf2gNUJU

Now Ryans explaining that Donna and Teresa Heinz, Comeys Related to Bill Fey and a Pachino Ashcroft who looks like a Barry Sheck David DeCovney Aaron Sullivan dont understand that Ryans not a Prisoner to the Leconte, Pachecos and Ringwalds that mixed with allot of Families that are Ella Means, Honeys and Ethridges that have Frizzy Shore hair and Andregenous Sunken Facial features and Sarandon, Von, Hendrickson, Stallones and Hogans all have a (Honey Related person in there family and there all tied to Jaws Cast people who were Feds in Ma that went to Hollywood and other parts of the worlds since the movie came out. Ryans being abused anotherwords by the 16 Candles Generation who with a Cherly Perry Heinz knows RYan was (Switched At Birth and Taken from 4 Twin Brothers) and The Shining has a seen with Scatman Crothers about hearing the (SHINE) https://www.youtube.com/watch?v=2rKbtlodzCU

Now this is where the Technology is coming from and Donna and Loretta Lynch are illegally with the Maria Antonios in Belmeida Pachecos family are abusing Ryan ONeil and have been abusing other people making them hear (Handicapped people in Wheelchairs that 1 of the Stallones in a Classified area put in a Broadcast with Obamas, Loretta Lynch, Hogans and Stallones that mixed with Donnas fathers family (Tony Who is also related to Jon Kerry and Mother Belmedia whos Maria Antonio relatives are covering up with there relatives making people hear a Retarded Maria Antonio Son thats a Hogan with a Huge Tiger Chin and has Almond Eyes like a Slavic whos like a Bald Berg Giant Jon Cenna. Now Ryans explaining its not legal to make someone whos not been arrested, tried and convicted of a Crime hear a Broadcast inside your head. Now the poster for 16 Candles http://www.google.com/imgres?imgurl=http://t1.gstatic.com/images%3Fq%3Dtbn:ANd9GcSvWQj7gCQ29CHoE3_WArdIsWHUKp9hmhgG2SxXsdPbbX5AeelO&imgrefurl=http://t1.gstatic.com/images%3Fq%3Dtbn:ANd9GcSvWQj7gCQ29CHoE3_WArdIsWHUKp9hmhgG2SxXsdPbbX5AeelO&h=300&w=200&tbnid=kQUh8AEa6dpZNM:&tbnh=186&tbnw=124&docid=JExB7vP8xEBTHM&itg=1&usg=__yYQjkXq9naZtjbRVA6wb6yvq-Aw= has Jake Ryan (Jay Added, Kept Estate) Ryan and

the way Ringwalds Holding the purse in her hands was the same as Ryan holding a Lunch Bag and Box when I was 4 Years old waiting for a bus outside my Dartmouth Street Apartment when I was 4 years old. My half sister Rita doesnt look like Molly Ringwald but is slightly a mix of Ryan ONeil & a Shore thats tied to Honey, though shes not as much of a Tank Teeth Retard teeth and features and thats what caused all this to happen. When Ryan was 4 Years old on Dartmouth St living across from the Sores Stallones, Clintons, some other people tied to the movies Ive highlighted, they shot BBs at Ryan on a BigWheel and someone Federally wrote it into the movie The Shining with Danny https://www.youtube.com/watch?v=cy7ztJ3NUMI and Danny is a Cherly Perry Stemberg, related to the woman who played Ringwalds mother in 16 Candles and hes also a relative of the man that played her father and looks like Ryan at 4 Years old with same hair Style and features and represents 1 of Ryans half Twin Brothers. Ryan believes when I was born I had 4 Twin brothers, born right after I came out and was seperated. I also have younger half brothers and sisters that were products of my father and mother having kids with other people.

Now what Ryan is explaining Cherly Perrys family were Police officers (Cherly had a Relative in Ma that retired that wanted to set up a media life for Ryan being (Replaced By Rita Senra Shore, Teresa Heinzes, Bullocks and Ella Means tied to the Honey side of the Heritage who look like retards. She has a relative thats related to Celia Antonio that doesnt understand nor does Donna that Ryans not supposed to be put in Mental Hospitals, Abused and made to hear a Broadcast cause there is a (Retarded Hogan Honey, Stallone Pachino related to a Jeff Pachino who was in Celia Antonios family and others in Wheelchairs who want to abuse and imprison Ryan because they are loyal and part of (Honeys Mafia side family.) In addition, the original Clinto Eastwood movie has the name Paloncia and Donnas father Tony Pacheco was related to Actor Hal Holbrook who played Clint Eastwoods Boss in Magnum Force http://www.imdb.com/name/nm0001358/?ref_=tt_cl_t2 and Hal is also tied to a Pacheco thats in the Scheider family thats in a classified area of Space, Nasa and Weapons system. Ryans being abused by Living Relatives of Donnas Father and Mother who were not Tony Pacheco side, but Honey Greek and Italians who make people hear a Stallone thats a Ethridge with a Coo Chin thats been in a Wheelchair since the 60s whos a Pachino thats not a Al Pachino, but still part of his family nuclues and they with Donna and a Loretta Lavin relative of hers whos a Retarded Lavin in a Wheelchair, Pike Stuart Copeland turned the Broadcast on inside my head back in 2012 when Donna sent me to Stuart Marchman Clinic via a Officer Robison (Tied to the Graduate) and Dustin Hoffman whos related to the Stemberg in the 60s photo that has a Merly Streep Donna sitting on his Left Lep. Merly was in a movie Called the Manchurian Candidate putting a implant chip up Liv Schribers nose to be used as a Tracker. Ryan was in the 80s a victem of a Nose operation with a Dr Fury who was a Greek tied to the McKintry family who was supposed to do a nose operation on Ryan for a Breathing issue and instead, he had a Russian Bald Putin Krasnow Leconte come into the Hall the day I was being wheeled into Surgery and he did the operation instead and I believe put a Implant in Ryans brain for a (Red Dawn) Lea Thompson lets track Ryan to see whos watching him Federally purpose so (Honeys side, could get rid of Beach Jaws investigators who knew RYan was not a suspect in the 70s for some issues that occured and happened. https://www.youtube.com/watch?v=nxotPpVYVcc and the Surgeon in this seen of The Fugitive who comes running out and is a Aferican American Loretta Lynch with Medlov Teeth the same as the Surgeon who switched places and did Dr Furys operation in the 80s-Early 90s. Harrison Ford is related to a Richie that worked with Ryan and my younger sister Rita at Stop and Shop when I was 17 Years old and Richie is partially related to Danny in The Shining. Scatman Crothers is a Hendrickson and Scheider and Loretta Lynch Roger Andrews Obama family member.

Now what Ryan is explaining Donna has Greek and Italian relatives that are Retards that dont understand she cant make me hear a Jen Lopez Loretta Lynch (Zoey Ringwald) whos like a Dolly Pardon whos got a Mellissa Glen Moonpie chin and Donna wants to drive Ryan crazy with Maria Antonios relatives who are related to Celia Antonios Mother (Whos a Betsy Palmer) who played Jason Voorhees mother in Friday the 13th going around killing people she thinks caused the injury of her son. Barack Obama is a (Maria Antonio as is Donald Trump) and Barack doesnt understand its a Crime to make Ryan hear his and Donnas Broadcast that has a Sygorney Weaver, Loretta Lynch Aferican Pauley Shores, and people tied to Donnas Ella Mean side of the heritage. There is a photo in 16 Candles on the bed side of the Grandparents of Ringwald and 1 of the photos has a Tracy Varges whos a Portman Greek that was in Celias family whos relative is on the photo in 16 Candles end table to the (Right) side with a Look a Like twin of Ryan. Now Tracy has relatives in the Navy with Tom Cruise and shes a Portman thats very Nervous and is mixed into Ryans line of the Portmans and the reason the photo was to the Right. The Photo (Black and White) taken in the 60s that shows Merly Streeps Donna twin on the lap of a Stemberg-Clinton McCartney Cushman Carlise Sullivan represents a Photo of a Santa Claus Paul Pacheco told me that

had Twin Orange Haired Irish kids on the lap of a person dressed as Santa Claus. The point of the 60s Photo with a Streep is the reason the Christmas tree is on the right lap (Someone was explaining the Twin Half Brother) went missing with his kids and family displaced. The Movie Twins with Danny Devito and Arnold Swartzenegger has to do with Ryans father and mother and Twin Brothers as well as other sets of Twins someone assembled in the 50s to present and put in a Agency. Tracy Varges relative when they flmed 16 Candles had a Twin of Ryan and someone at Stop and Shop was making and wore a mask made of Ryans face at Carter Brooks Elementary School before I went to Middle and High School and it was made to make a Randy Price (Seven) to get Ryan arrested later on in life.

Now Maria Antonios relative (Betsy Palicia in Friday the 13th Had to do with Switching Ryan in the crib and Dirty Harry and Magnum Force has a Chief (Eastwoods boss at the end that gets blown up in a car and says Calahan whos gonna believe you Im a Upstanding citizen, the car leaves and blows up. Tony Pacheco (Donnas father used to talk about Aunt Tiesabella *Bells Relative* who he said, his parents dropped him off at Aunt Tisebellas house to be babysat and he said that Aunt Tease-a-Bell used to chew his food for him and then make him eat it. What Tony really meant, there was a Pacheco tied to The Shawshank Redemption (Dempsey) and Rape seen with (Andy) in the Film Projector room where a Lance Hendrickson is kicked out when Boggs (Wade Boggs Reference then) comes in and the seen is about (Raping someone in prison and mentioning biting a penis off. (This is what Aunt Tiesebella) chewing food was really about and the Pachecos are abusing Ryan because of something that happened (Before Ryan ONeil was born and tied to the Black and White Photos) given to the US Government of Donnas family nuclues in the 60s and showing a Stemberg Carlise Sullivan (Related to Cushman Carlises) and the Danny in The Shining, as well as Father in 16 Candles who wanted a Jake Ryan (Replacement Prison) for Ryan ONeil with Jason whos tied to Maria Antonios relative (Betsy Palmer) in the movie Friday the 13th. https://www.youtube.com/watch?v=2rKbtlodzCU Now this seen in The Shining has a (Danny who is a Stemberg who looks like Ryan ONeil when I was 4 years old on Dartmouth Street Riding a Bigwheel around like Danny and having BBs shot at the back of Ryans head. Carey the movie has a Jesus Statute thats in Careys (Punishment Closet) that looks like a Tommy Soares Likeness of his face, being Crucified on the cross and the cross is designed into the Bushes of the Maza in the movie The Shining. Ryans point someone in Donna Leconte and Cherly Perry and Chelsea Clintons family (Who was in a Bryan Williams Interview years ago, sitting on a stool at the News Desk (Making Then Its My Work) comments because Chelsea and Bill Clinton have relatives in Donnas family who are abusing Ryan and others trying to make people (Shining Crazy) and that means abusing people making them hear the Broadcast Inside your head.

Now Ryans point about the Ice Cream seen with (Danny in the Shining with Scatman Crothers explaining hearing the Shine https://www.youtube.com/watch?v=2rKbtlodzCU and having Telepathy Conversations with his Grandmother a (Reference to Roger Andrews, Camille Cosby and people in Roger and Scatmans Obama family as (Roger Andrews when Ryan was in High School lived with his Grandmother) and this seen was planning to use (Furture Classified Telepathy Weapons on people to make them hear Handicapped people in wheelchairs trying to drive you crazy. Also understand the Jacket that (Danny is wearing) has 2 Red Stripes on the wrist band of Dannys Sleeve and a Red Line that runs up his arm into his neck. A Few Good Men has Tom Cruise in a Courtroom https://www.youtube.com/watch?v=_frM44bBMfA
==========
Now, understand the Courtroom in A Few Good Men has 2 Paintings that are on the wall, behind Tom Cruise and the one to the Right side has a Man in Uniform whos Twiddling his Thumbs and he has (a Certain Number of Bars) on his Arm Wrist) and Danny in The Shining back when they made the movie (Had Only 2 not as many) and the line up the Arm is a reference to working on someones Family line and number of Twin Brothers to end up with Heart Disease and Stinks (Later On in Life) and the Line represents a (Stint) to be used to unblock arteries in someones Failing or bad heart. This is (Pre-medatation of Someone who may have had the problem in the Shining Days and blamed someone or there relative for the Problems they and there family had. The Shining Mansion also has a Williams related man thats following Jack Nicolson behind him when hes being shown around the Property when Being Interviewed for the job and led out to the Garage area of the Estate. The Building itself with Twin Sides is a Linda Blair Puke Excorcist Color and the Diamond Shapes around the property, some on Carpets and walls and doors (Like the White House Across the street from Tony Pachecos Dartmouth, MA front door. Ryans being abused by someone who (Switched me as a Baby from my Real mother and Father) and Donna Leconte is not my mother and has a Ross Perot Italian relative thats abusing people with a new Technology and shes a nutcase Linda Lavin Pike Moonpie Chin that has Greek Hair and does this to people against the law. For 45 Years, they been covering up taking Ryan and my Twin brothers and I was First Born and taken and swapped the second I was born. Sam Kinison was in Back to School in the Is She Right seen (Right side of Photo) from 60s

in Donnas Fathers house (Attached Photo) with a Christmas Tree to the side (Replacing the other girl thats supposed to be sitting on Clinton McCartney Sullivans Lap like a Santa Claus Twin (Right side is missing) replaced by Left side, cause the Right was taken out by Fredo on the boat from the Godfather and (Didnt Come Back) from the Trip and the family was displaced. https://www.youtube.com/watch?v=0uqjznmTp80 and Sam Kinison (Knew Ryan has a Had a Half Twin Brother) whos part Sarmento involved with photos taken of me and him with Elbows on a counter of the Photo (Diner Counter) https://www.youtube.com/watch?v=zzT9PNezxWw

Now what Ryan is explaining is that Jon Sarmento and Donnas family are Italians related to Pintos and Hank Hazarians whos in Godzilla The Remake and hes in that movie with a Flipped Backwards Ball Cap as is a Sarmento thats in the movie The Social Network with Justine Timberlake whos in a seen with Dakota Johnston https://www.youtube.com/watch?v=_7sQJDY8l8U whos motioning to the left side of the Room in this seen which has White Mirrors in a Room with a Key thats tied to The Shining and the Mirrors (Double Mirrors) in the Room that has Twins Murdered in the past. The Shining and Jack Nicolson is tied to Forest Gump and the white underwear and towel Model that crosses the stage (Edited out of the movie and replaced with the woman thats show in the Theatre version whos got (Red Undies and a Stripper Outfit on and leaves before Robin Wright Penn comes out and sings with a Guitar on Stage and kicks a mans face in the Audience out. Now why this matters, Nicolson is a Tom Pacheco Related to Donnas brother Tom and was involved with Relatives in the Navy and they know who Forest Gumps Princess Dianna Sheena McClellen that was edited out of the seen was and Dakota Johnson wanted to make sure she passed when they filmed The Social Network as she shakes her hair and jumps off the Bed with Stanford Undies on in (Maroon) and the Stanford is tied to a Photo Album in a brief seen of the movie "Jade" which has a Sygorney Weaver and they show a Album with a man in a Stanford sweater on like hers. Ryans being abused by Federal Directors and Agents who were competing for that girl (Edited out of the movie of the Girls, Girls, Girls, Love Strip club. Now Lance Hendricksons relative approved Ryans Social Security check and his relative is the Bar Tender thats in The Shining and a comment in the Bar Seat seen is (You Set Em Up and I'll Knock Him Back) and he makes a comment about the white and Thats Swell. Ryans point is that the Scriptwritter involves someone thats Wealthy whos tied to the 5 Miserable Months on the wago (National Lampoon Vacation and Thomas Crown Affair) and 5 means Ryan and 5 Twin Brothers. You set em up is tied to The Game with Shawn Penn and Field of Dreams and they were saying theres a group of people so wealthy (They like to make a Game of abusing a person like Ryan whos not wealthy and powerfull, trying to put a person in a Mental Hospital or Prison for there (Handicapped) relatives in wheelchairs and thats what there doing to Ryan ONeil as a Payback for the Excorcist which has a Del Pacheco Mother (Related to Donna Lecontes Mother Belmedia Pacheco, her sister) and the Priest whos a Hendrickson that was her son, who commits her to a Mental Hospital and says (Damy Why You Do This.) Ryan recently went to a Hospital (After being hit with a Nanite Burst and had my Blood Chems and Results handed back to me by a Damien Flowers Dr (Related to who put a Implant in Ryans head, over 30 years ago in the State of Massachusetts that the Government is covering up is in my head, or was and broke Down over the years that someone put Nanites in Ryans blood to make me hear the Broadcast.

Ryans point The Excorcist has seen https://www.youtube.com/watch?v=TD0RJ_iuBPo with the Mother of the Priest on the top of Steps in Brooklyn, NY with a Letter and address and Grafetti and Celia Antonio has a relative whos on the Photos of End Tables and Desks in Dirty Harry who are (Fake Smiling with Gappy Teeth) and the mexican man who was on the Liscense and Photo Id in the stolen wallet in The Breakfast Club and Alley Sheedy makes a comment (I Stole Your Wallet) and Alley is a Moonpie Chin side of heritage of Rita Senra Shores and Ryans been being abused most my life by people who are Ella means that want Ryan to be imprisoned to the Mafia side of the Heritages who Donna seems to control. Ryans being abused because of a Jaws Case https://www.youtube.com/watch?v=cG3cf2gNUJU

The Jaws cases (Multiples had to do with Bodys and Murders up and down the east coats and 1 on Marthas Vineyard thats connected to 1 on the mainland of New Bedford, Ma and Dartmouth (Same MO) and Tony Pacheco was related to Roy Scheider and so is Scatman Crothers who had a relative come to a Blood Lab in Ca many years ago when Ryan would donate Plasma living on the Streets of Los Angeles, Ca before I got on Social Security. Donna back in 1975 took me to Newport, RI to see a Revalutionary War Recreation they have in Newport every 100 Bi-Centenial years. The have English War Ships land in the Harbour of a Field thats allot like the 1 in Jaws with the Billboard that replaces the (Older Woman on the Billboard version) and Donna wanted us to look for Arrowheads and she said, we found an Arrowhead a Black Slade one thats the same color and style of the Rock in Shawshank Redemption when Andy Leaves Money for his Friend

in a Titanic Tin Can with a Letter to go to Mexico and San Juan Tineayo and its the same color black slade rock. Ryans being abused because the head in 1975 Arrowhead, was someones head lobbed off, tied to Newport, RI and The Shining and Bathroom Seen with Jeeves whos a Paul Pacheco and takes Nicolson into a Red Bathroom which has Unrinals on the left side and Sinks on the Right and then (They are Switched) and theres a connection to the Photo of a McCartney who is a Stemberg with a Merly Streep on his left lap (Missing the Right) and Pachecos kidnapped me cause Ryans Father and Mother and Grandfather (Arrested one of them, before I was born and it caused the Tate and Labianca murders and other incidents and Ryans being abused by anyone that knows who Ryans real Mother and Father was. Also the Bathroom seen is making a Nigger Cook in The Shining and theres a reference to the cook thats in Dirty Harry who hands (Eastwood a Hot Dog) and hes a Maria Antonio (Pissed about having a Penis biten off in the past.)

Now Ryans point is Ryans being abused by a Donna Leconte (Shining and Field of Dreams Broadcast) that is not legal to use on Human Beings. There is someone in the Obama, Putin, Medlov and Stallone and Hogan family whos a disgrace to the members of there family name, that turned it on back in June of 2012 so they could as Maria Antonio would say (Go Crazy) and ruin a Relationship interest with a girl Ryans met thats tied to Forest Gumps Strip Club seen, edited out, 8MM and the Booty Tatoo in Ca that Rita and Donna Lecontes family or the President are banging right now and covering up Ryans being forced to listen to Retards in Wheelchairs the Author of the Broadcast (Puts in the Broadcast) till they put a person in a Mental Hospital or get you Falsly arrested, while Eroding your heath, support network and people in the Government who are not Crooked or bad feds. In addition Ben Finkle who was a old Friend of Ryans showed me his Wrapped Up Plastic Couch when I was a teen, and someone wrote into The Shining a seen that is in a Green Painted Bathroom that has a Scarlet Johanson in a Bathtub that comes out to Seduce Jack and then changes to a Vava Tavares Williams (Related to Donna Lecontes Grandmother who lived in a 3rd Floor Spiral Stair Apartment. The woman is changed to a Donna Leconte Gonzalez whos back is turned and has Plastic sheen on it. Ben Finkles house and his Father Mr Taylor had his Couch wrapped in Plastic and they both showed this to me (Oddly) and the Shinings Butler in a Bathroom in a seen explains someones head was blown off after wrapped in plastic (Hidden in the script) and RYan wants the Internal Affairs Divisions to investigate the Park and Forest Ranger Radio Services and Intelligence Divisions tied to whos Broadcasting in RYans head and the Radio Service people involved with The Shining as the original person whos a (Park Service) uniformed officer in The Shining (First persons related to who put a Implant in RYans brain 30 Years ago when The Shining Came out and the 2nd Officer is a Berg Aldridge tied to the new Local Police Chief Aldrige who covering up a Sarmento in a Wheelchair related to Ryans half Twin is in the broadcast and Retarded Marlin Brando Berg thats a Ducky Lip Jenna Bush and Lincoln whos somewhere in a Wheelchair with a Stallone that does this to people against the law and for his amusement and doesnt understand its not a Investigative Tool to make people hear it, what hes doing is a Crime you get arrested and fired for commiting. There are Putins, Medlovs and Obamas that mixed with Borenatz and the Bergs and Scatman Crothers tied to Rocky movies that dont understand little Mexican Rosey in a Wheelchair, Rosey Perezes and Portmans in Wheelchairs cant Broadcast in Ryans head or anyones.

Regards, Ryan ONeil

All Parliment and English Internal Affairs People Have to Explain to Barack Obama and Prince Charles That Its a Federal Crime to make People Hear a Broadcast In There Heads and they cant cover up what Loretta Lynch, Obama and Donna Leconte are doing to Ryan Oneil and that I'm a Charles Stallone Kidnapped from the England 45 Years Ago with 4 Twin Brothers the Royal Family is covering up existed and Written into Saving Private Ryan (That Ryan Oneil wasn't supposed to Figure out was about me and my 4 Dead Twin Brothers being hunted to cover up Illigitimates in 1969-70 that my mother when giving Birth was (Star Wars Phantom Menace Dealt with and Ryan wants Justice and Loretta Lynch is a Donna Leconte (Belmedia Pacheco) covering up with Comey and Bornetz in the Treasury Dept what they are doing to Ryan and others in secret in the United States.

All Internal Affairs Divisions Below Loretta Lynch, James Comey, The Borenatz Thats Running the Treasury Department, and OBamas have to explain to Barack Obama & His Staff that Its a Federal Crime to make Ryan ONeil and (Other People On Social Security Listen to a Broadcast Inside Your Head.) Linda Lavins, Russos, Sarandons, Vons related to Donna Lecontes Lavin Family have a group of (Retards that Have been Secretly Abusing Ryan ONeil and other people with Donna Leconte and a Obama in a Wheelchair that Likes to make people listen to his relative thats handicapped and (THIS IS AGAINST THE LAW) Since June of 2012 Ryan ONeil has been being abused by Donna Leconte (Whos Related to Loretta Lynch By her Birth Mother Belmedia Pacheco) and also been abused by Belmedia Pachecos Family nuclues and Donnas Pacheco family who kidnapped me 45 Years ago and are now trying to put Ryan in a Mental Hospital (After Years of Abusing Me) with Rita Senra Shores relatives. Rita is Ryans Half younger sister (Shes a Ringwald Partially and a Portman thats shown Belly Down on a Beach Towel in the Locker photo of Fast Times At Ridgemont High. Rita has partial Sarandon, Von, Russo, Lucas, Spielberg & Donna Leconte relatives that are (Frizzy Lizzy Mosses), Portmans, Stallones, Hogans, Fords & other politial families. They are abusing Ryan with the Media system for the Benefit of Mary Liz Mastrantonios, Rose Brynns, Mellissa Ethridges family who have (Handicapped People in there family in wheelchairs)Ryans part Stallone (and Sylvestot Stallone the actor who had twin Brothers has some relatives who are not related to Ryan that are doing something to him and other people thats not legal and is a Federal Crime and Torture. Donna is making Ryan (Hear a Broadcast In My Head that her Greek Lavin, Cruise, Lucas, Stallones, a Couple Ted Bundy Randy Price Hogans & Afericans that mixed with her family and the Portmans and some Boy Georges that forces a person to hear the Broadcast Inside your head. It is not legal to Make RYan hear (Jenna Mafia Rockerfellers Broadcast which has a Angie Dickinson Dressed to kill version of Olympia Snowe, Judith Geinsberg who mixed with Donnas, Mellissa Glen, Cristine Charette, Pam Dawbers mindys and Donnas Pacheco Greek relatives. THe Pachecos in the 60s and 70s had many relatives, Ryan was related to Donnas brother Paul who knew I was switched and Donnas family took me as a baby and raised me as Donnas son. 45 Years after my Birth and Divorcing my ex wife Celia Antonio Donna started putting Ryan in Mental Hospitals as Celia and Maria Antonio were Teresa Heinz, Natalie Wood Members of Donnas Family nuclues indirectly. Dirty Harry the 1971 Clint Eastwood movie has a Photo of a mexican Celia Antonio with a Cherly Perry Heinz backing her up in a manor with a Fake Smile on her face, the direction of a Stacey Varges, Geller and

members of Rita Senra Shores family nuclues back then. This photo was on a Desk and in a seen and (Creepy.) Ryans point, Teresa Heinz, Donna, Maria Antonio arranged for Ryan to meet and marry Celia to keep me part of a Cruise and Scientology family that wanted to raise me and abuse me as a Rosemarys Baby (A 1968 Roman Polansky Movie) about abusing a person with a group of people that want you to be there prisoner, but part of the nuclues. Ryans being abused by a Donna whos a Retarded Linda Lavin Loretta Lynch Greek thats in Ross Perot and there family and they are making Ryan hear a group of people in wheelchairs and trying to put people in mental hospitals as a Activity for them Broadcasting in peoples heads.

Now for 6 years since Donna put Ryan into a Stuart Marchman Mental Hospital in Daytona Beach, FL and Ryan fought for 4 Days Legally and got myself out, saying (Donna has No Right to Order a Baker act and put me in a hospital (not Does anyone) and she did this to (Abuse) Ryan for the benefit of her, Celia and Maria Antonios family whos supposed Birth mother (Maria Antonio) was related to the actress that played the Mother of Jason Voorhees in the Friday the 13th Movies in the 80s. http://www.imdb.com/name/nm0658133/?ref_=tt_cl_t1 played by actress Betsy Palmer. Now Donna Lecontes mother, Belmedia Pacheco whos also related to Loretta Lynch, Haley Berry, Tamara Taylor on (The Today Show), Lina Horn who has a relative thats very Arabic in Jaws who was (Angry about something in a beach case tied to a Billy Bulger of the Whitey Bulger Winter Hill Boston mafia story https://www.youtube.com/watch?v=_2Ecwm7Alrc and there is a Whitey Bulger in the seen link mentioned above and a Lina Horn whos a Tank Teeth Honey thats related to Donnas Birth Mother Belmedia as is Betsy Palmer a (Maria Antonio.) Now Loretta Lynch, James Comey, Timothy Geither, and almost all the Federal Directors in Washington (Have a Rita Senra Shore, Sarnadon or Russo relative that looks like a Tank Teeth Retard Ringwald known as Honey who looks like the woman thats on the Billboard in 1975 Jaws seen https://www.youtube.com/watch?v=fGoekw7e-3U and this Billboard in Martha's Vineyard when they released Jaws (Replaced a woman that was originally on the Board thats related to Ryan ONeil.) Now Ryans half sister Rita lived on Luke Street in New Bedford, Ma near Tom Pacheco Photo Studios the name of Donnas brother Tom who was part Barry Gibb. Now Ryans sister whos Belly Down on a beach towel in Fast Times at Ridgemont High had Senra Relatives like Jason Gordan and Jason Segel who were in her family nuclues of the people 1 of her parents were living with.

George Lucas was renting an apartment from Tony Pacheco (Donnas Father) who has relatives that are Greek and one is a Greek Leo Meehen who is tied to the persons voice thats on the Special Council Voice mail. Ryans point of this letter, Donnas brother Paul Pacheco was related to the Man in Rosemarys Baby who empregnates Mia Farrow whos related to Ryan ONeil more than Donna is. John Cassavettes who does a Flip Head over Heels in Rosemarys Baby that caused someone in 1973-74 when Ryan was living on Dartmouth Street in New Bedford, Ma with Donna at 4 Years old to make (Chanel 7 Randy Prices Beard, Glasses and Blanket video) and Randy Price whos a Hogan Paine released the movie with Jonathan Hall on Chanel 7 in Boston when Ryan was working at WB Mason with Leo Meehen and Kerry Marchand who has relatives tied to Jaws and the movie as does Ryan and Donnas family nuclues. Ryans point the Beard and Glases movie looks like a Child is being molested by a person whos hand is being covered by a Blanket thats Black and old world and the (Person) thats skinny in the movie conceling there face flips naked with Underwear on head over heels with a Little Girl in a Wig, next to the person and Randy Price released the story of a Attempted Look a Like of Ryan Oneils Face (Not my Body Shape and Size,) and a Det Williams in Brockton was the narrated commentor that made a comment, Im Trying to Get This Guy.

Now what Ryan is explaing is Donnas Father (Tony Pacheco) died years ago and he was a good person (Donna is not and neither is some of her relatives who have been abusing Ryan in the Intelligence world that are mixed with the people mentioned in this letter and above. Rene Russo, Sarandons, Vons, Pintos, a relative of Cassavettes whos also related to the man that played the Father in Pretty in Pink of a Ringwald https://www.youtube.com/watch?v=nxHTPahkN6M and someone wanted to (Switch) Fathers between 16 Candles the movie and Pretty In Pink https://www.youtube.com/watch?v=eq5NSAyQEtI meaning in 16 Candles which came out a year or so Different from Pretty In Pink is two different Scripts, and movies, but both Ringwald Movies involve Water Cases tied to Jaws and Ma and Other states. The Father in 16 Candles was a Gordan Kaye relative of Tom Stemberg whos relatives dated Donnas family and was part of there family in the 60s (See Attached Photos In Black and White) when Applicable and able to send. There is a photo of a Merly Streep Donna Leconte whos sitting on the lap of a Clinton McCartney Sullivan in Tony Pachecos Christmas Tree Room (Tied to Dr Chevago a 1965 Movie) and theres a missing Twin on the Right side lap because Twin Brothers were seperated in a Godfather Fredo on the Boat Manor (Written into a Seen of The Godfather

with Al Pachino.) Across the street is a House shown through his window in the background that has a Boat surrouned by Snow to the left side (Where Merly Streep Donna is sititng on the left Lap (Camera View) of a Stemberg relative of the Father in 16 Candles (Though there not directly Related.) Now Ryans point, Donnas family is covering up what happened to Ryans Father and Real Birth Mother, The Tate and Labianca Murders, Deaths of Elvis Presley and Princess Dianna (All Related to Ryan)

Now Ryan when I was 4 Years old was waiting for a bus at 4 Years old https://www.youtube.com/watch?v=NWcBwgxUyuM and its mentioned by a Donna in 16 Candles playing the mother of Molly Ringwald in a seen and says Your Gonna Miss, the Bus Honey. Now Honey refers to a different kind of Ringwald thats (Sick and Nuts and a Rene Russo, Sarandon, Shore, or Von with Frizzy Hair and Retarded Eyes and Teeth whos more related to Ryans half Sister Rita. A Honey (That shes refering to looks like the Retard thats on the Billboard in a seen of Jaws who (Replaces the woman under the Defaced Drawing whos a Ryan ONeil related to Likeness. https://www.youtube.com/watch?v=fGoekw7e-3U

Now Ryan is explaining that the Jaws movies 1975 and sequals created by Spielberg whos relative Samuel J Levinson has been running the Inspector Generals Office of the Health and Human Services Department and has like Loretta, the Comeys and Treasury for 6 Years received 100 Certified Letters from Ryan that were sent to many different Departments with a Flash Drive that shows Michelle & Barack Obama relatives related to them, some related to Lance Hendrickson, Rita Senra Shore and people tied to the movies im highlighting links and seens to (Because they came out of Ma 45 Years ago and rose up to the Director Postions of these departments in Washington right now who dont (Do there Jobs and Cover up for Honey and Ella Means and Donnas people that there abusing Ryan and have abused other people on Social Security who are being forced to listen to Donnas broadcast that a Obama thinks is legal to make people hear (When Its Not No matter what the Government Thinks a persons done.) Now Ryans explaining that Gordan Kaye in 16 Candles relative playing Ringwalds father was related to the actor that played the part. Honey he mentions as does Cherly Perry Heinzes relative who plays Ringwalds Mother was refering to Ryan at 4 Years old in the dark waiting for a Bus outside a Dartmouth Street Apt with my Lunch box in my hands like the Poster for 16 Candles that has Jake Ryan to the left with Hands in Pockets and Ryan ONeil was being refered to behind the seens by someone in the Ringwald family and persons related to Donna Leconte who doesnt understand (Honey isnt supposed to abuse Ryan because I dont want the Ringwald whos a frizzy Hogan related to Ryans sister Rita who looks like the Retard on the Billboard in Jaws seen. When you dont want Honey (She sends people to ruin and Deface what you do want and thats why the Billboard was Replaced and Defaced. https://www.youtube.com/watch?v=cG3cf2gNUJU

Now Ryans explaining that Donna and Teresa Heinz, Comeys Related to Bill Fey and a Pachino Ashcroft who looks like a Barry Sheck David DeCovney Aaron Sullivan dont understand that Ryans not a Prisoner to the Leconte, Pachecos and Ringwalds that mixed with allot of Families that are Ella Means, Honeys and Ethridges that have Frizzy Shore hair and Andregenous Sunken Facial features and Sarandon, Von, Hendrickson, Stallones and Hogans all have a (Honey Related person in there family and there all tied to Jaws Cast people who were Feds in Ma that went to Hollywood and other parts of the worlds since the movie came out. Ryans being abused anotherwords by the 16 Candles Generation who with a Cherly Perry Heinz knows RYan was (Switched At Birth and Taken from 4 Twin Brothers) and The Shining has a seen with Scatman Crothers about hearing the (SHINE) https://www.youtube.com/watch?v=2rKbtlodzCU

Now this is where the Technology is coming from and Donna and Loretta Lynch are illegally with the Maria Antonios in Belmeida Pachecos family are abusing Ryan ONeil and have been abusing other people making them hear (Handicapped people in Wheelchairs that 1 of the Stallones in a Classified area put in a Broadcast with Obamas, Loretta Lynch, Hogans and Stallones that mixed with Donnas fathers family (Tony Who is also related to Jon Kerry and Mother Belmedia whos Maria Antonio relatives are covering up with there relatives making people hear a Retarded Maria Antonio Son thats a Hogan with a Huge Tiger Chin and has Almond Eyes like a Slavic whos like a Bald Berg Giant Jon Cenna. Now Ryans explaining its not legal to make someone whos not been arrested, tried and convicted of a Crime hear a Broadcast inside your head. Now the poster for 16 Candles http://www.google.com/imgres?imgurl=http://t1.gstatic.com/images%3Fq%3Dtbn:ANd9GcSvWQj7gCQ29CHoE3_WArdIsWHUKp9hmhgG2SxXsdPbbX5AeelO&imgrefurl=http://t1.gstatic.com/images%3Fq%3Dtbn:ANd9GcSvWQj7gCQ29CHoE3_WArdIsWHUKp9hmhgG2SxXsdPbbX5AeelO&h=300&w=200&tbnid=kQUh8AEa6dpZNM:&tbnh=186&tbnw=124&docid

=JExB7vP8xEBTHM&itg=1&usg=__yYQjkXq9naZtjbRVA6wb6yvq-Aw= has Jake Ryan (Jay Added, Kept Estate) Ryan and the way Ringwalds Holding the purse in her hands was the same as Ryan holding a Lunch Bag and Box when I was 4 Years old waiting for a bus outside my Dartmouth Street Apartment when I was 4 years old. My half sister Rita doesnt look like Molly Ringwald but is slightly a mix of Ryan ONeil & a Shore thats tied to Honey, though shes not as much of a Tank Teeth Retard teeth and features and thats what caused all this to happen. When Ryan was 4 Years old on Dartmouth St living across from the Sores Stallones, Clintons, some other people tied to the movies Ive highlighted, they shot BBs at Ryan on a BigWheel and someone Federally wrote it into the movie The Shining with Danny https://www.youtube.com/watch?v=cy7ztJ3NUMI and Danny is a Cherly Perry Stemberg, related to the woman who played Ringwalds mother in 16 Candles and hes also a relative of the man that played her father and looks like Ryan at 4 Years old with same hair Style and features and represents 1 of Ryans half Twin Brothers. Ryan believes when I was born I had 4 Twin brothers, born right after I came out and was seperated. I also have younger half brothers and sisters that were products of my father and mother having kids with other people.

Now what Ryan is explaining Cherly Perrys family were Police officers (Cherly had a Relative in Ma that retired that wanted to set up a media life for Ryan being (Replaced By Rita Senra Shore, Teresa Heinzes, Bullocks and Ella Means tied to the Honey side of the Heritage who look like retards. She has a relative thats related to Celia Antonio that doesnt understand nor does Donna that Ryans not supposed to be put in Mental Hospitals, Abused and made to hear a Broadcast cause there is a (Retarded Hogan Honey, Stallone Pachino related to a Jeff Pachino who was in Celia Antonios family and others in Wheelchairs who want to abuse and imprison Ryan because they are loyal and part of (Honeys Mafia side family.) In addition, the original Clinto Eastwood movie has the name Paloncia and Donnas father Tony Pacheco was related to Actor Hal Holbrook who played Clint Eastwoods Boss in Magnum Force http://www.imdb.com/name/nm0001358/?ref_=tt_cl_t2 and Hal is also tied to a Pacheco thats in the Scheider family thats in a classified area of Space, Nasa and Weapons system. Ryans being abused by Living Relatives of Donnas Father and Mother who were not Tony Pacheco side, but Honey Greek and Italians who make people hear a Stallone thats a Ethridge with a Coo Chin thats been in a Wheelchair since the 60s whos a Pachino thats not a Al Pachino, but still part of his family nuclues and they with Donna and a Loretta Lavin relative of hers whos a Retarded Lavin in a Wheelchair, Pike Stuart Copeland turned the Broadcast on inside my head back in 2012 when Donna sent me to Stuart Marchman Clinic via a Officer Robison (Tied to the Graduate) and Dustin Hoffman whos related to the Stemberg in the 60s photo that has a Merly Streep Donna sitting on his Left Lep. Merly was in a movie Called the Manchurian Candidate putting a implant chip up Liv Schribers nose to be used as a Tracker. Ryan was in the 80s a victem of a Nose operation with a Dr Fury who was a Greek tied to the McKintry family who was supposed to do a nose operation on Ryan for a Breathing issue and instead, he had a Russian Bald Putin Krasnow Leconte come into the Hall the day I was being wheeled into Surgery and he did the operation instead and I believe put a Implant in Ryans brain for a (Red Dawn) Lea Thompson lets track Ryan to see whos watching him Federally purpose so (Honeys side, could get rid of Beach Jaws investigators who knew RYan was not a suspect in the 70s for some issues that occured and happened. https://www.youtube.com/watch?v=nxotPpVYVcc and the Surgeon in this seen of The Fugitive who comes running out and is a Aferican American Loretta Lynch with Medlov Teeth the same as the Surgeon who switched places and did Dr Furys operation in the 80s-Early 90s. Harrison Ford is related to a Richie that worked with Ryan and my younger sister Rita at Stop and Shop when I was 17 Years old and Richie is partially related to Danny in The Shining. Scatman Crothers is a Hendrickson and Scheider and Loretta Lynch Roger Andrews Obama family member.

Now what Ryan is explaining Donna has Greek and Italian relatives that are Retards that dont understand she cant make me hear a Jen Lopez Loretta Lynch (Zoey Ringwald) whos like a Dolly Pardon whos got a Mellissa Glen Moonpie chin and Donna wants to drive Ryan crazy with Maria Antonios relatives who are related to Celia Antonios Mother (Whos a Betsy Palmer) who played Jason Voorhees mother in Friday the 13th going around killing people she thinks caused the injury of her son. Barack Obama is a (Maria Antonio as is Donald Trump) and Barack doesnt understand its a Crime to make Ryan hear his and Donnas Broadcast that has a Sygorney Weaver, Loretta Lynch Aferican Pauley Shores, and people tied to Donnas Ella Mean side of the heritage. There is a photo in 16 Candles on the bed side of the Grandparents of Ringwald and 1 of the photos has a Tracy Varges whos a Portman Greek that was in Celias family whos relative is on the photo in 16 Candles end table to the (Right) side with a Look a Like twin of Ryan. Now Tracy has relatives in the Navy with Tom Cruise and shes a Portman thats very Nervous and is mixed into Ryans line of the Portmans and the reason the photo was to the Right. The Photo (Black and White) taken in the 60s that shows Merly Streeps Donna twin on the lap of

a Stemberg-Clinton McCartney Cushman Carlise Sullivan represents a Photo of a Santa Claus Paul Pacheco told me that had Twin Orange Haired Irish kids on the lap of a person dressed as Santa Claus. The point of the 60s Photo with a Streep is the reason the Christmas tree is on the right lap (Someone was explaining the Twin Half Brother) went missing with his kids and family displaced. The Movie Twins with Danny Devito and Arnold Swartzenegger has to do with Ryans father and mother and Twin Brothers as well as other sets of Twins someone assembled in the 50s to present and put in a Agency. Tracy Varges relative when they flmed 16 Candles had a Twin of Ryan and someone at Stop and Shop was making and wore a mask made of Ryans face at Carter Brooks Elementary School before I went to Middle and High School and it was made to make a Randy Price (Seven) to get Ryan arrested later on in life.

Now Maria Antonios relative (Betsy Palicia in Friday the 13th Had to do with Switching Ryan in the crib and Dirty Harry and Magnum Force has a Chief (Eastwoods boss at the end that gets blown up in a car and says Calahan whos gonna believe you Im a Upstanding citizen, the car leaves and blows up. Tony Pacheco (Donnas father used to talk about Aunt Tiesabella *Bells Relative* who he said, his parents dropped him off at Aunt Tisebellas house to be babysat and he said that Aunt Tease-a-Bell used to chew his food for him and then make him eat it. What Tony really meant, there was a Pacheco tied to The Shawshank Redemption (Dempsey) and Rape seen with (Andy) in the Film Projector room where a Lance Hendrickson is kicked out when Boggs (Wade Boggs Reference then) comes in and the seen is about (Raping someone in prison and mentioning biting a penis off. (This is what Aunt Tiesebella) chewing food was really about and the Pachecos are abusing Ryan because of something that happened (Before Ryan ONeil was born and tied to the Black and White Photos) given to the US Government of Donnas family nuclues in the 60s and showing a Stemberg Carlise Sullivan (Related to Cushman Carlises) and the Danny in The Shining, as well as Father in 16 Candles who wanted a Jake Ryan (Replacement Prison) for Ryan ONeil with Jason whos tied to Maria Antonios relative (Betsy Palmer) in the movie Friday the 13th. https://www.youtube.com/watch?v=2rKbtlodzCU Now this seen in The Shining has a (Danny who is a Stemberg who looks like Ryan ONeil when I was 4 years old on Dartmouth Street Riding a Bigwheel around like Danny and having BBs shot at the back of Ryans head. Carey the movie has a Jesus Statute thats in Careys (Punishment Closet) that looks like a Tommy Soares Likeness of his face, being Crucified on the cross and the cross is designed into the Bushes of the Maza in the movie The Shining. Ryans point someone in Donna Leconte and Cherly Perry and Chelsea Clintons family (Who was in a Bryan Williams Interview years ago, sitting on a stool at the News Desk (Making Then Its My Work) comments because Chelsea and Bill Clinton have relatives in Donnas family who are abusing Ryan and others trying to make people (Shining Crazy) and that means abusing people making them hear the Broadcast Inside your head.

Now Ryans point about the Ice Cream seen with (Danny in the Shining with Scatman Crothers explaining hearing the Shine https://www.youtube.com/watch?v=2rKbtlodzCU and having Telepathy Conversations with his Grandmother a (Reference to Roger Andrews, Camille Cosby and people in Roger and Scatmans Obama family as (Roger Andrews when Ryan was in High School lived with his Grandmother) and this seen was planning to use (Furture Classified Telepathy Weapons on people to make them hear Handicapped people in wheelchairs trying to drive you crazy. Also understand the Jacket that (Danny is wearing) has 2 Red Stripes on the wrist band of Dannys Sleeve and a Red Line that runs up his arm into his neck. A Few Good Men has Tom Cruise in a Courtroom https://www.youtube.com/watch?v=_frM44bBMfA
==========
Now, understand the Courtroom in A Few Good Men has 2 Paintings that are on the wall, behind Tom Cruise and the one to the Right side has a Man in Uniform whos Twiddling his Thumbs and he has (a Certain Number of Bars) on his Arm Wrist) and Danny in The Shining back when they made the movie (Had Only 2 not as many) and the line up the Arm is a reference to working on someones Family line and number of Twin Brothers to end up with Heart Disease and Stinks (Later On in Life) and the Line represents a (Stint) to be used to unblock arteries in someones Failing or bad heart. This is (Pre-medatation of Someone who may have had the problem in the Shining Days and blamed someone or there relative for the Problems they and there family had. The Shining Mansion also has a Williams related man thats following Jack Nicolson behind him when hes being shown around the Property when Being Interviewed for the job and led out to the Garage area of the Estate. The Building itself with Twin Sides is a Linda Blair Puke Excorcist Color and the Diamond Shapes around the property, some on Carpets and walls and doors (Like the White House Across the street from Tony Pachecos Dartmouth, MA front door. Ryans being abused by someone who (Switched me as a Baby from my Real mother and Father) and Donna Leconte is not my mother and has a Ross Perot Italian relative thats abusing people with a new Technology and shes a nutcase Linda Lavin Pike Moonpie Chin that has Greek Hair and does this to people against the law. For 45 Years, they been covering up taking Ryan and my Twin brothers and I was First Born and taken and

swapped the second I was born. Sam Kinison was in Back to School in the Is She Right seen (Right side of Photo) from 60s in Donnas Fathers house (Attached Photo) with a Christmas Tree to the side (Replacing the other girl thats supposed to be sitting on Clinton McCartney Sullivans Lap like a Santa Claus Twin (Right side is missing) replaced by Left side, cause the Right was taken out by Fredo on the boat from the Godfather and (Didnt Come Back) from the Trip and the family was displaced. https://www.youtube.com/watch?v=0uqjznmTp80 and Sam Kinison (Knew Ryan has a Had a Half Twin Brother) whos part Sarmento involved with photos taken of me and him with Elbows on a counter of the Photo (Diner Counter) https://www.youtube.com/watch?v=zzT9PNezxWw

Now what Ryan is explaining is that Jon Sarmento and Donnas family are Italians related to Pintos and Hank Hazarians whos in Godzilla The Remake and hes in that movie with a Flipped Backwards Ball Cap as is a Sarmento thats in the movie The Social Network with Justine Timberlake whos in a seen with Dakota Johnston https://www.youtube.com/watch?v=_7sQJDY8l8U whos motioning to the left side of the Room in this seen which has White Mirrors in a Room with a Key thats tied to The Shining and the Mirrors (Double Mirrors) in the Room that has Twins Murdered in the past. The Shining and Jack Nicolson is tied to Forest Gump and the white underwear and towel Model that crosses the stage (Edited out of the movie and replaced with the woman thats show in the Theatre version whos got (Red Undies and a Stripper Outfit on and leaves before Robin Wright Penn comes out and sings with a Guitar on Stage and kicks a mans face in the Audience out. Now why this matters, Nicolson is a Tom Pacheco Related to Donnas brother Tom and was involved with Relatives in the Navy and they know who Forest Gumps Princess Dianna Sheena McClellen that was edited out of the seen was and Dakota Johnson wanted to make sure she passed when they filmed The Social Network as she shakes her hair and jumps off the Bed with Stanford Undies on in (Maroon) and the Stanford is tied to a Photo Album in a brief seen of the movie "Jade" which has a Sygorney Weaver and they show a Album with a man in a Stanford sweater on like hers. Ryans being abused by Federal Directors and Agents who were competing for that girl (Edited out of the movie of the Girls, Girls, Girls, Love Strip club. Now Lance Hendricksons relative approved Ryans Social Security check and his relative is the Bar Tender thats in The Shining and a comment in the Bar Seat seen is (You Set Em Up and I'll Knock Him Back) and he makes a comment about the white and Thats Swell. Ryans point is that the Scriptwritter involves someone thats Wealthy whos tied to the 5 Miserable Months on the wago (National Lampoon Vacation and Thomas Crown Affair) and 5 means Ryan and 5 Twin Brothers. You set em up is tied to The Game with Shawn Penn and Field of Dreams and they were saying theres a group of people so wealthy (They like to make a Game of abusing a person like Ryan whos not wealthy and powerfull, trying to put a person in a Mental Hospital or Prison for there (Handicapped) relatives in wheelchairs and thats what there doing to Ryan ONeil as a Payback for the Excorcist which has a Del Pacheco Mother (Related to Donna Lecontes Mother Belmedia Pacheco, her sister) and the Priest whos a Hendrickson that was her son, who commits her to a Mental Hospital and says (Damy Why You Do This.) Ryan recently went to a Hospital (After being hit with a Nanite Burst and had my Blood Chems and Results handed back to me by a Damien Flowers Dr (Related to who put a Implant in Ryans head, over 30 years ago in the State of Massachusetts that the Government is covering up is in my head, or was and broke Down over the years that someone put Nanites in Ryans blood to make me hear the Broadcast.

Ryans point The Excorcist has seen https://www.youtube.com/watch?v=TD0RJ_iuBPo with the Mother of the Priest on the top of Steps in Brooklyn, NY with a Letter and address and Grafetti and Celia Antonio has a relative whos on the Photos of End Tables and Desks in Dirty Harry who are (Fake Smiling with Gappy Teeth) and the mexican man who was on the Liscense and Photo Id in the stolen wallet in The Breakfast Club and Alley Sheedy makes a comment (I Stole Your Wallet) and Alley is a Moonpie Chin side of heritage of Rita Senra Shores and Ryans been being abused most my life by people who are Ella means that want Ryan to be imprisoned to the Mafia side of the Heritages who Donna seems to control. Ryans being abused because of a Jaws Case https://www.youtube.com/watch?v=cG3cf2gNUJU

The Jaws cases (Multiples had to do with Bodys and Murders up and down the east coats and 1 on Marthas Vineyard thats connected to 1 on the mainland of New Bedford, Ma and Dartmouth (Same MO) and Tony Pacheco was related to Roy Scheider and so is Scatman Crothers who had a relative come to a Blood Lab in Ca many years ago when Ryan would donate Plasma living on the Streets of Los Angeles, Ca before I got on Social Security. Donna back in 1975 took me to Newport, RI to see a Revalutionary War Recreation they have in Newport every 100 Bi-Centenial years. The have English War Ships land in the Harbour of a Field thats allot like the 1 in Jaws with the Billboard that replaces the (Older Woman on the Billboard version) and Donna wanted us to look for Arrowheads and she said, we found an Arrowhead a Black

Slade one thats the same color and style of the Rock in Shawshank Redemption when Andy Leaves Money for his Friend in a Titanic Tin Can with a Letter to go to Mexico and San Juan Tineayo and its the same color black slade rock. Ryans being abused because the head in 1975 Arrowhead, was someones head lobbed off, tied to Newport, RI and The Shining and Bathroom Seen with Jeeves whos a Paul Pacheco and takes Nicolson into a Red Bathroom which has Unrinals on the left side and Sinks on the Right and then (They are Switched) and theres a connection to the Photo of a McCartney who is a Stemberg with a Merly Streep on his left lap (Missing the Right) and Pachecos kidnapped me cause Ryans Father and Mother and Grandfather (Arrested one of them, before I was born and it caused the Tate and Labianca murders and other incidents and Ryans being abused by anyone that knows who Ryans real Mother and Father was. Also the Bathroom seen is making a Nigger Cook in The Shining and theres a reference to the cook thats in Dirty Harry who hands (Eastwood a Hot Dog) and hes a Maria Antonio (Pissed about having a Penis biten off in the past.)

Now Ryans point is Ryans being abused by a Donna Leconte (Shining and Field of Dreams Broadcast) that is not legal to use on Human Beings. There is someone in the Obama, Putin, Medlov and Stallone and Hogan family whos a disgrace to the members of there family name, that turned it on back in June of 2012 so they could as Maria Antonio would say (Go Crazy) and ruin a Relationship interest with a girl Ryans met thats tied to Forest Gumps Strip Club seen, edited out, 8MM and the Booty Tatoo in Ca that Rita and Donna Lecontes family or the President are banging right now and covering up Ryans being forced to listen to Retards in Wheelchairs the Author of the Broadcast (Puts in the Broadcast) till they put a person in a Mental Hospital or get you Falsly arrested, while Eroding your heath, support network and people in the Government who are not Crooked or bad feds. In addition Ben Finkle who was a old Friend of Ryans showed me his Wrapped Up Plastic Couch when I was a teen, and someone wrote into The Shining a seen that is in a Green Painted Bathroom that has a Scarlet Johanson in a Bathtub that comes out to Seduce Jack and then changes to a Vava Tavares Williams (Related to Donna Lecontes Grandmother who lived in a 3rd Floor Spiral Stair Apartment. The woman is changed to a Donna Leconte Gonzalez whos back is turned and has Plastic sheen on it. Ben Finkles house and his Father Mr Taylor had his Couch wrapped in Plastic and they both showed this to me (Oddly) and the Shinings Butler in a Bathroom in a seen explains someones head was blown off after wrapped in plastic (Hidden in the script) and RYan wants the Internal Affairs Divisions to investigate the Park and Forest Ranger Radio Services and Intelligence Divisions tied to whos Broadcasting in RYans head and the Radio Service people involved with The Shining as the original person whos a (Park Service) uniformed officer in The Shining (First persons related to who put a Implant in RYans brain 30 Years ago when The Shining Came out and the 2nd Officer is a Berg Aldridge tied to the new Local Police Chief Aldrige who covering up a Sarmento in a Wheelchair related to Ryans half Twin is in the broadcast and Retarded Marlin Brando Berg thats a Ducky Lip Jenna Bush and Lincoln whos somewhere in a Wheelchair with a Stallone that does this to people against the law and for his amusement and doesnt understand its not a Investigative Tool to make people hear it, what hes doing is a Crime you get arrested and fired for commiting. There are Putins, Medlovs and Obamas that mixed with Borenatz and the Bergs and Scatman Crothers tied to Rocky movies that dont understand little Mexican Rosey in a Wheelchair, Rosey Perezes and Portmans in Wheelchairs cant Broadcast in Ryans head or anyones.
